You may take either of the following routes:

### EXIT A

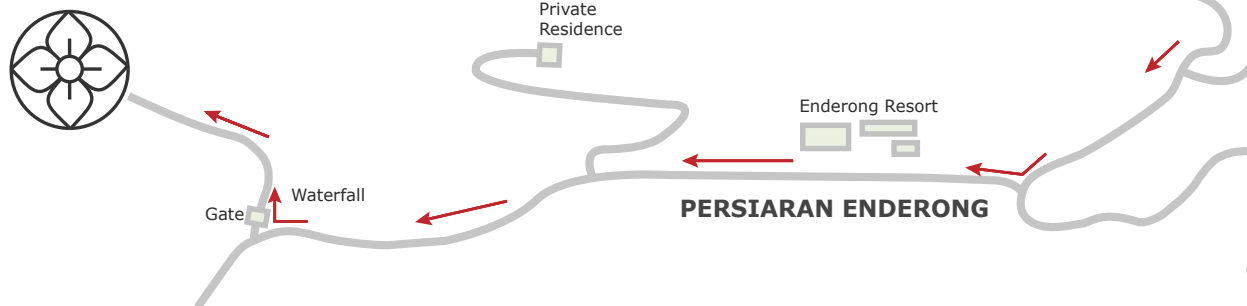

Exit Karak Highway immediately after Genting Sempah Tunnel at Exit 803. This takes you across the highway past the Petronas petrol station onto Old Bentong Road. Follow the road until you come to an arch sign-posted 'Kg Janda Baik'. Go through it and drive for 1km then turn right into Tanarimba Janda Baik. Sign in at the guardhouse. Follow the road uphill for 2.5km then turn right into Persiaran Enderong. Proceed until you come to a small waterfall and gate.

### EXIT B

Exit Karak Highway at the Kg Bukit Tinggi offramp. Turn right and go through the highway underpass. Turn right again past shophouses into Kg Bukit Tinggi. Bear left uphill past fruit stalls and a police station until you come to a T-Junction at the top of the hill. Make a right then immediately sharp left through the arch sign-posted 'Kg Janda Baik'. Drive for 1km then turn right into Tanarimba Janda Baik. Sign in at the guardhouse. Follow the road uphill for 2.5km then turn right into Persiaran Enderong. Proceed until you come to a small waterfall and gate.
